

ARMADALE MEDITATION GROUP(AMG) AGM REPORT

January - December 2021

1. The Armadale Meditation Group (AMG Online) has now been online for 2 years. The Armadale Health Campus still requires a maximum of only 15 people in our usual meeting room and so it seems that it may be some time before we are able to resume our physical meetings. We do hope to return to the hospital for our live sessions eventually.
2. We remain a small group of around 20 to 25 participants but are welcoming visitors from Germany, UK, USA, Hong Kong, Canada, Japan, India, Singapore, Adelaide and Karratha, as well as the occasional local, who are all enjoying the privilege of the live teachings that we regulars tend to take for granted.
3. These meetings are recorded live at Bodhinyana and then edited and uploaded to the BSWA website by Bob Steele.
4. Donations to the Women's Refuge continue and they are always very well received.
5. We managed to raise 140 of the \$20 Coles/Myer gift cards for the Women's Refuge last Christmas (2021) which was again way beyond our expectation. It's going to be a challenge to reach, or better, that target this year.
6. We are, as always, grateful for the teachings, and the IT support, from the Bodhinyana Sangha with a special thank you to Ajahn Brahm for his ongoing support and teachings - and jokes!
